

TABLE OF CONTENTS

Chapter 1: OASIS-E, Documentation, Alpha Index.....	1
P&P Guidelines for Diagnostic Coding and Reporting for Home Health.....	3
CMS Requirements for Actual Face to Face Encounter Note Tool.....	5
Documentation of Therapy Goals for Care Planning Tool.....	6
OASIS-E Reference Guide for High-Risk Drug Classes	7
OASIS-E New Items Quick Reference Guide	9
Conventions & Guidelines	11
Decision Making Tool for Applying “With” Convention.....	12
Home Health Face to Face Checklist for RCD Submission	13
Non-Compliant Versus Compliant Query to Provider	16
Documentation Tool to Support Accurate Coding	17
Quick Reference Guide to Alphabetic Index Search Terms	19
Physician Query Tool	21
Chapter 2: Infectious diseases.....	25
Quick Guide to Coding Infectious Organisms.....	27
How to Code Viral Sepsis.....	28
Acceptable and Non-Acceptable Primary Diagnosis for Hospice Coding.....	30
Chapter 3: Neoplasms and Cancer.....	31
Cancer Guidelines Quick Reference.....	33
Guide To Finding the Right Cancer Code.....	34
Cancer Codes NOT Found in the Neoplasm Table.....	40
Chapter 4: Anemia.....	41
Common Anemias Coding Tool.....	43
Common Anemias Coding Tool Part 2.....	44

Table of Contents

Chapter 5: Endocrine, Nutritional and Metabolic Diseases	45
Quick Guide to Coding Hyperlipidemia	47
Diabetes Guidelines Quick Reference.....	48
Diabetic Triad Scenario Sequencing Tool.....	50
Guide to Coding Diabetic Ulcers Due to Specified Diabetic Manifestations	51
Guide to Coding Diabetes & Venous Stasis	51
Interaction Between Diabetes and Gangrenous Pressure Ulcers.....	51
Quick Guide to Diabetic Kidney Complications.....	52
Quick Guide to Diabetic Neurological Complications	54
Other Specified Diabetic Manifestations.....	55
Diabetic Retinopathy	56
Quick Guide to Diabetic Manifestations Linked by “with”	57
Quick Guide to NEC Diabetic Manifestations Not Linked by “with”	59
Obesity, Morbid Obesity, Overweight Quick Coding Tool	60
Chapter 6: Psych Coding	61
How to Code Substance Use, Abuse, & Dependence	63
Quick Guide to Psych Coding	65
Chapter 7: CVA and Pain	67
Dominant vs. Non-Dominant Side Quick Coding Tool	69
Quick Guide to Guidelines for Coding Pain	70
Chapter 8: Vision	71
Glaucoma Coding Tool.....	73
Blindness and Low Vision Coding Tool.....	74
Chapter 9: Circulatory Coding	75
Hypertension Coding Tool	77
Quick Tips For Coding Heart Conditions.....	78
Guide to Coding Heart Attacks	79
Coding initial vs. subsequent MIs	81
Left vs. Right: Make Sense of Heart Failure Codes	82

Chapter 10: Respiratory Coding	85
Quick Reference Guide to Coding COPD Associated Conditions.....	87
COPD: Get Exacerbations, Infections & Emphysema Right.....	88
Pneumonia Code Quick Reference Guide.....	89
COVID-19 & Associated Manifestations Quick Coding Tool	90
Vaping Related Lung Injury & Complications Coding Tool.....	91
Chapter 11: GI and Bleeds.....	93
How to Code Bleeding as an Adverse Effect of Circulating Anticoagulants	95
Quick Guide to Coding Liver Conditions	96
Quick Guide to Inflammatory Bowel Disease (IBD).....	99
Chapter 12: Wounds.....	101
Quick Reference Guide for Assessing Wound Type.....	103
Pressure Ulcer/Injury Quick Code List	104
Non-Pressure Chronic Ulcer Quick Code List	109
Coding & OASIS Wound Tool	112
Chapter 13: Fractures	115
Quick View to Correct Osteoporosis Coding	117
Coding Periprosthetic Fractures.....	119
Chapter 14: Injuries, Complications, Poisoning	121
Quick Reference Guide to Coding for Symptom Codes.....	123
Complications Decision Tree	124
Coding Complicated Wounds Reference Sheet	125
Deciphering Between Aftercare vs. Injury Codes in ICD-10	127
Coding Catheter-Induced Infections.....	128
Poisoning, Adverse Effects, Underdosing	129
Quick Guide to Burn Coding Guidelines.....	130
Burn/Corrosion Coding Guidelines.....	131
Quick Guide to Coding Transplant Complications.....	132
Sequela vs. Complication Tool.....	133

Table of Contents

Chapter 15: Aftercare, Status, Devices135

- Cardiac Device & Status Quick Coding Tool 137
- How to Code HIV Status and Related Illnesses 138
- Quick Guide to Surgical Aftercare Codes 139

Chapter 16: Hospice 141

- Quick Guide to Hospice Coding 143
- Topic-Specific Hospice Coding Guidance 144
